

PortaCabin Temporary Laundry Rooms

Hygiene Solutions

Hygienic Wall and Ceiling Solutions

Main Issues in PortaCabin Laundry Facility:

Laundry Facilities are often neglected in regards to hygienic finishes, but are plagued with the following issues:

- High Humidity Causes paint to peel and crack
- Water staining from cleaning of walls as well as water damage from rot
- Impact damage on walls
- Mold and Mildew is often found. High levels of bacteria
- Ceramic Tiles are heavy and are easily damaged during transportation.
- Installation of most finishes like ceramic tiles and are time consuming and will slow down construction of portacabins
